Summary of Newsletter

1. Removal of Difficulties” for the implementation of EPR
2. Notice for non-compliance of Plastic Waste Management
3. Producers Under E-waste Management Rules, 2022
4. Classification about Registration on the E-Waste Portal under E-Waste Management Rules, 2022
5. The End of Life Vehicles (Management) Rules, 2024

“Removal of Difficulties” for implementation of EPR

The plastic waste processors (PWP) registered during 2022-23 can generate EPR certificates corresponding to the sale of finished products made during the FY 2022-23 till January 31, 2024.

All PWP are required to follow those mentioned above for the effective implementation of EPR Guidelines.

Notice for non- compliance of Plastic Waste Management

The guidelines entities cover under clause BO shall have to register through the online centralized portal developed by CPCB.

As per the EPR guidelines, Environmental Compensation shall be levied based upon polluter pays principle, with respect to non-fulfilment of EPR targets - by producers, importers and BO to protect and improve the quality of the environment and preventing, controlling, and abating environment pollution.

CPCB has developed the guidance manual for operating a centralized EPR portal including registration procedure, procedure for procurement of EPR certificates and filling of annual reports by PIBOs.

33505 PIBOs (Brand Owners- 2367, Producer - 3853, Importers - 27285) and 2327 plastic waste processors (PWPs) have already been registered on the EPR Portal.

Producers Under E-waste Management Rules, 2022

All producers are required to fulfil their assigned EPR obligations through the purchase of an equivalent quantity of EPR certificates from registered recyclers.

All producers are hereby directed to fulfil their assigned EPR obligations for the financial year 2023-24 by March 31, 2024.

Representation from producers wrt reduction in their EPR obligation or extension of the timeline for the fulfilment of EPR obligations will not be considered in case unutilized EPR certificates remains available on the E waste EPR portal.
